God, you have given me the gift of  
Seeing you in this world. This is enough for me;  
Thank you, thank you, countless thanks.

“In the beginning was the Word of God,  
The Word was Life,  
Jesus was the  
Word and Life.  
Now Jesus Christ is among us  
as Life through Word”.

God's word has life, it is powerful.

“I praise you, Father, Lord of heaven and earth, because You had hidden these from the wise and the intelligent, and have revealed it to infant. Yes Father, this is your gracious will. My Father has entrusted everything to me.

Matt: 11- 25 to 27

I commit these words of the Bible in my mind and move forward.

Do not think that I have come to abolish the law and the prophets. I have come not to abolish but to fulfill them. Truly I tell you, until heaven and earth pass away not one letter, not one stroke of a letter will pass from the law until all is accomplished.

Matt: 5 - 17 to 18

It is wise to discern the true meaning of any news that anybody says consciously.

“Meditate,  
By meditation doubts will arise,  
Doubts produce research;  
Research will give clearness,  
Clearness will show results,  
Results will give great joy”.

“The one who says that he hasn’t seen God is a fool,  
One who says there is no God is deceived,  
The one who gives life to God’s Word  
Sees God.  
You too can see God, become God.

## **Preface**

Greetings. It would not be right to say that all the information given here was produced by me. It is because everything was given by God. We are going to see through discernment and evidential witnesses the facts about God and who we are.

I thank our ancestors and who gave me enough knowledge to publish this book. I kindly request all those who read this book, to use their knowledgable discernment. It is because all those who have learnt the Scriptures have taught us in the way they understood it. We are following it likewise. Therefore many questions arise within us. If we ask our teachers about these questions the reply we get from them is that we should not go deep into God's Word, or do researches on it. But till now I believe that our ancestors have given us enough knowledge. That is why I am kindly requesting you to read this with intelligent discernment.

All Scriptures are written to lead us in a righteous path, and show us a way for us to be near God. Scriptures are not written to create religions or to separate people through it.

Jesus Christ did not come to create a religion or to spread it. Instead, He came to pave way for bringing God into us. It is He who is a witness to have victory over death. This book tells about many truths about Him.

Our ancestors' plan was that the message of this book should reach the world at the right time. I am very happy that it is fulfilled through me.

Now let us go into the book.

**I am sharing the thoughts that the world has revealed to me, and the thoughts that God has put within me.**

### **Part - 1**

**Firstly, let us start with a thought about God.**

Let us, for a moment, see a conversation between an old man and a boy about God.

Old man : Child, have you seen God?

Boy : No.

Old man : Do you know where God is?

Boy : He is here, there and everywhere.

Old man : If so, why can't we see God, who is everywhere?

Boy : Thinking to himself, he stood unable to give an answer.

Likewise many of us are unable to give an answer. It is because we just go to church. We just listen to the words preached about God. We do not give life to those Words. We do not practice it. Hence we are unable to see God. If we give life to God's Word and practice it, we can see God.

God is real. But only the way we see God is wrong. I am not giving this message to hurt anybody, I am only saying it so that we can think intelligently.

God is the true Word that our ancestors brought out. Jesus Christ is the complete personification of it. If you practice the true words that our ancestors have shown, you can see God and be god.

## **Words of Christ**

1. God is one. (The only established truth)
2. Honour your father, mother and elders.
3. Love others as you love yourself.
4. Do not tell lies.
5. Do not steal.
6. Do not indulge in drug addiction.
7. Do not commit lustful sins.
8. Do not cheat others.
9. Do not kill.
10. Do not covet others' belongings.

If you put these words into practice, you can be free from troubles. You can see God.

If you depart from these words, troubles will overtake you. Peace and joy will depart from you.

I have sensed that all the words that Jesus Christ said are true words. So I have accepted Jesus Christ as God personified.

## **Let us meditate on Man and God**

Man's life is divided into three parts.

1. Beasts (Animal)
2. Humankind (Man)
3. Flowers (Saint)

Man is born without wisdom. Only the world teaches him wisdom. Starting from languages, the world alone teaches him about good and evil. From early stages of life, evil predominantly rules

over him. In this respect he lives as a beast in human form. In a mature age, he realizes his mistakes and becomes man. Good deeds rule over him at this stage. When this matures, only love rules man. At this stage he lives for others and not for himself and becomes holy.

A large number of people in this world spend their lives like animals in human form and die as beasts. Only a minority attain human nature and live as human forever. Even among them, only a few bloom as flowers.

### **Reality of Life**

There are two important hungers in man. One is food and the other is relationship. All else is lust (weakness) called vanity. Because of the weakness called lust, we go astray from the path (holy words).

There are two kinds of relationships. One is mental relationship; the other is sexual relationship. It is the truth that love is the ultimate one of all relationships, avoiding wrong relationships.

### **Desire and Weakness**

One man's weakness is another man's strength.

For instance, we used to first lie down on the bare ground. As a result of the weakness, it became another's strength. Mattress was invented. It became another's desire. As a result, we became slaves to desire.

But in the present age, man's desires themselves have become the day-to-day needs. If we avoid desires and fulfill just the required needs, we can be away from troubles.

“If you hold off from the cravings of certain objects, the troubles that may come from those objects will disappear”.

**“We need not drive away desires.**

**Let us learn to master desires.”**

### **God and Religions**

It is a fact known to us clearly that God is one (the truth that is shown is one). But it is to be considered why we follow different religions.

We either follow the religion followed by our ancestors or we follow the religion that accepts Jesus, Siva or Allah as its spiritual leader. Mankind is one. Is it not wrong to classify Christians, Hindus and Muslims?

It is good to accept Jesus or Siva or Allah as the spiritual leaders but it is wrong to classify human beings in religious terms.

My opinion is that we should go to all places of worship without differentiation. But we should use our intelligence and avoid the superstitious belief there. God and places of worship do not exist to create differences among us. Instead, it is enough if we realize that they are there to lead us in righteous paths, Many changes will happen to us.

### **Education and Art**

Education and art is essential to man. Art is something that can make a man happy in any situation. Happiness in life is the only thing which man looks forward. Therefore I feel that art should play an important role in man's life.

### **Let us consider who we are**

In the beginning, we were without knowledge. As days went by, knowledge was gained through experience. In the earlier times, only food and happiness were important for us. Man thought only of these two things. The next big step of victory was language. After language came into being, experiences were stored in writing. Through experience, it was distinguished between what was right and what was wrong, and truth was created. They named the words of truth as God. How could there have been any knowledge and thoughts about God at the beginning when man had no knowledge? What we understand by this is that it was our ancestors, who created God to lead man in the righteous path, and that it was not God who created us. If so, you may ask whether God is not real. No, it is the way that we look at God that is wrong. God has been created so that man will walk in the righteous path. The good deed that is in us is God. Love and righteousness is God. The word of truth shown to us is God.

### **Thoughts of how God was revealed**

In the beginning was man. Man required only food and relationship. He had to toil for food. Kins were there for relationship. But just a little bit of toil was needed to acquire food. There was a turning point here. At this time man began to think much. Therefore many new inventions were started. Grains were in surplus for those who did farming. At this point, personal possessions came into existence. Therefore those who had lots of property started business. They employed labourers for doing the work. During this time, the

employer-employee concept started. As a result, employers remained as employers; employees remained as employees. As a result, the differentiation between the rich and the poor developed. At this time, some of the rich enjoyed only the benefits instead of working. It was at this time that wrong habits like liquor, women and gambling developed. In due course, it spread among the poor. Those who were most affected by it were women. Therefore a large number of people suffered. It was at this time that a group thought of ways to save the people from wrong-doing. God is the outcome of these thoughts.

### **They gave God a form**

Love, virtue and truth is God. They carried out many measures to make men have belief and fear of God. Many of those rules are the natural rules of the world. For instance, “One who sows evil reaps evil; one who sows millet reaps millet.” So representing God, they applied this rule, so to say, do good, and God will be with you; if you do evil God will punish you, they said. In the same way, they used knowledge and medicine to make people believe in God. Moreover, man discovered strength which is not visible to the eyes, calculated the future, and had victory over death by spiritual knowledge. He used all these to represent God. Jesus Christ came into this world to bear witness to these.

### **Benefits of Order of Worship**

It is a fact that behind all forms of worship there is only physical exercise and mental exercise.

## **Heaven and Hell**

Heaven and hell are only in this earth. It is in our hands to choose one of them.

### **Part – 2**

#### **Tamil language and the Tamil soil**

**“Before any sort of form was made**

**The earliest language was Tamil”**

Do not think that I praise Tamil because I am a Tamilian. We are all of one community. All of us are brothers and sisters. But due to circumstances in time we have differences in caste, language and culture and have moved from one place to another. However, we should definitely know about the speciality of the Tamil language.

Researchers say that the Tamil language came into existence about 20000 years ago. The unique language that first came into being in the world was Tamil. Where as many religions, languages, culture and civilization in this world started only 3000 years ago, Tamil came into existence about 20000 years ago.

There are many evidences as of date that thousands of years ago itself Tamilians excelled in bravery, arts, culture and spirituality. But it is a fact that no religion belongs to the Tamil soil. We were worshipping our ancestors. Later on religions came into our soil due to holy wars. We chose the Scriptures that we liked. But the one who found God was of the Tamil community. He was the one who had victory over death. The proof for this is Jesus Christ and the Holy Bible He gave us. Jesus Christ came into this world to proclaim about

the end times, His coming at the end of the world, and then the Heavenly Kingdom (New World). Jesus Christ came as the supreme form of God. He gave many signs to tell about His final coming. He has chosen me to proclaim to the world the secrets in this. I am very happy to think of it.

In accordance with the words of the Bible, “I am Alpha and Omega, the beginning and the end”, the plan of our ancestors is to end the journey at the place it began.

The birth of God is at the birth of wisdom. At the beginning was man. Later wisdom was born and it grew. Man found out which was good and which was evil. He distinguished truth. He made truth as God. Man became God. He won death by spiritual wisdom. He foretold about his birth. He was the one to calculate time; He was the one to give scriptures. He was born again. He taught about truth. Sin came through our ancestors. So he became the sacrifice for the sins of his ancestors and for the sins of his people. As He had victory over death, He said he would return on the Judgement Day. The judgement has already been written. I have taught you about judgement. He is my Father, Jesus Christ.

### **The Amazing Secrets of the One who had victory over death**

It is not written openly anywhere in the Bible about the coming of Christ. Instead it is written I will come at the end of time, and of the signs at the end of time. It is written about the coming of a man. It is written that the sign of the man is the number 666.

## **About the number - 666**

By word of mouth and by imaginative news it is spread that the owner of the number 666 is only Satan. Instead, no here on records it is mentioned that the owner of the number 666 is Satan. Even if there had been someone called Satan, there is no need to mention about the coming of Satan in the Good Book. Moreover, there is nobody called Satan in this world. Just as those who follow God's Word (Word of truth) become God, those who do evil deeds are described as Satan.

The following words are seen in the Bible about the owner of the number 666.

It made the young, the old, the rich, the poor, the citizens, the slaves to put the sign in their right hand or forehead. Those who did not have the beast's name or number could not buy or sell. Much knowledge is needed here. Let the wise man calculate the beast's number. It points out to a man's number. The number is six hundred and sixty six (666).

Revelation: 13 – 16 to 18

The only mystery in the Bible is whom this number 666 is attributed to. Now let us see who the owner of this number 666 is.

Let us consider the following Bible words;

1. It is said that this number (666) denotes a man.
2. This number is described as a beast. It is an inevitable situation that every man or woman is born in this world should certainly fall into sin. Any man fallen into sin is compared to a beast. This is made clear in the sign of the cross.

It is the wish of God that we should come to God the Father, the Son (ourselves); the left hand being the sins we committed, with the help of God's Word, we move from the left-hand side to Christ, (the Holy place), the right-hand side. By this we know that everyone born in this world falls into sin, and the sign of the cross makes it clear that only with the help of God's Word, man can become purified.

The one who is going to come will grow up among us till God reveals it to the future generation. The only possibility is for him too to fall into sin (be a sacrifice to this world) and then to bear Christ in him. Therefore the person who has this number is described as a beast. It is to be noted that in the Bible Jesus is shown as a sacrificial lamb, a sacrificial object and the one who sacrificed himself for this world.

3. It is a known fact for us that this world can be ruled only by God (by truth), and cannot be ruled by Satan.
4. It is a fact that we will put on only God's sign on our foreheads, and we will not put on Satan's sign. Knowing that he is evil, would we put an evil one's sign? Moreover, information about Satan is not something that we need.

The Bible is a Book that tells us about Jesus Christ. Therefore this number must be one that would point to a future witness. There are many evidences for this. It is told by word of mouth through many signs. The Tamil language, the number 666 and the life of Jesus Christ reveal it to us. We shall see it next.

## **The Tamil Language**

Tamil (தமிழ்)	- 3 letters
Vowels	- 12
Special character (AyuthaEzhuthu)	- 1 (∴)
Consonants (MeiEzhuthu)	- 18
Combination of vowels and consonants	- 216

(UirMeiEzhuthu)

## **A Brief History of Jesus**

Jesus was born in a manger. When Jesus Christ was born three wise men came to see Him. A star showed the wise men the way. Christ's teachings, His miracles and His sufferings were for three years. He died at the age of 33, Jesus' disciples were 12. Jesus' first miracle was at the wedding of Cana where water was changed into wine. The animal, which carried Jesus was a superior breed of donkey.

## **The Secret Meaning**

In the Tamil language cow ('Maadu') means riches. It is described that Jesus Christ was born in a manger. It denotes that the one who comes in the future will be born with all the riches. Those who came to see Jesus when He was born were three wise men. In History it is recorded that these wise men came from the East (India). The "three wise men" denote the three-letter word, Tamil (தமிழ்). The birth of Jesus was initially proclaimed to these wise men. In the same way, it is shown that the proclamation about the one who comes in the future would first of all be made to the Tamil soil. We see that a

future would first of all be made to the Tamil soil. We see that a superior breed of donkey carried Jesus. In the Tamil language ‘donkey’ (“kazhuthai”) means a beautiful woman. The meaning of this is to specially describe the mother who carried Jesus. The first miracle of Jesus was to change water into wine at the wedding of Cana. This miracle tells about the one who will come in the future.

### **Those Verses**

According to the purifying habit of the Jews, six (6) jars of stone were kept there. Each one of them will hold **two or three** pots of water. Jesus told them, “Fill these jars with water”. They filled them to the brim. Then He said, “Pour out and give to the overseer”. They did likewise.

John: 2 – 6 to 9

Altogether there were 6 jars. Each jar will hold two or three pots of water.

It should be noted that it is said that it will hold two or three pots of water.

In the life of Jesus and in the Bible, great importance was given to numbers. There is truth about it too.

Now let us see the connection between Tamil, Jesus and the number 666.

### **The connection between Jesus and Tamil**

Vowels in Tamil - 12

Jesus’ disciples - 12 in number

The Tamil letter ‘AyuthaEzhuthu’ (∴) 1 (Special character) means “weapon”. This sign shows that Jesus Christ is the weapon for everything. It shows that He was the one who taught the truth. He was the one who was sacrificed. He was resurrected. Moreover it shows that He is the triune God (∴).

$$\begin{aligned} \text{The total number of letters in Tamil} &= 247 \\ &= 2 + 4 + 7 = \textcircled{13} \\ \text{Jesus and the disciples together 13} &= 1 + 3 = \textcircled{4} \end{aligned}$$

It is said in the preface(Revelation) of the Bible that the number 4 denotes the world. The number 4 shows that at the end Christ’s (truth’s, pure) kingdom will come to the whole world.

### **The connection between Tamil and the number 666**

$$\begin{aligned} 666 &= 6 + 6 + 6 = 18 \\ 18 &= 1 + 8 = \textcircled{9} \end{aligned}$$

The Consonants (Mei means true) in Tamil are 18. Therefore it points out that 666 is a genuine (true) number.

$$\begin{aligned} 666 &= 6 \times 6 \times 6 = 216 \\ 216 &= 2 + 1 + 6 = \textcircled{9} \end{aligned}$$

In Tamil the combination of vowels and consonants is 216.(“Uir” is “life” and “Mei” is “body” in Tamil) . Therefore it tells about the life and body of man(666).

### **The connection between Jesus and 666.**

$$\begin{aligned} \text{The age of Jesus is } 33 &= 3 + 3 = \boxed{6} \\ 33 &= 3 \times 3 = \textcircled{9} \end{aligned}$$

In the first miracle of Jesus  $\boxed{6}$  jars were there.

It should be noticed that it is said that each jar held two to three pots of water.

$$2 \times 3 = \boxed{6}$$

In order to say 6 in a concealed manner, this type of method (two or three pots of water) is used. In the olden days, such methods were used to tell a matter in a concealed manner.

In this way 3 sixes have taken place in a concealed manner in Jesus' life.

Moreover, if a capacity of a jar is 6 pots ( $2 \times 3 = 6$ ) and 6 jars' capacity is ( $6 \times 6 = 36$ ).

It is proved in this way too: 36 equals 3 and 6 (666)

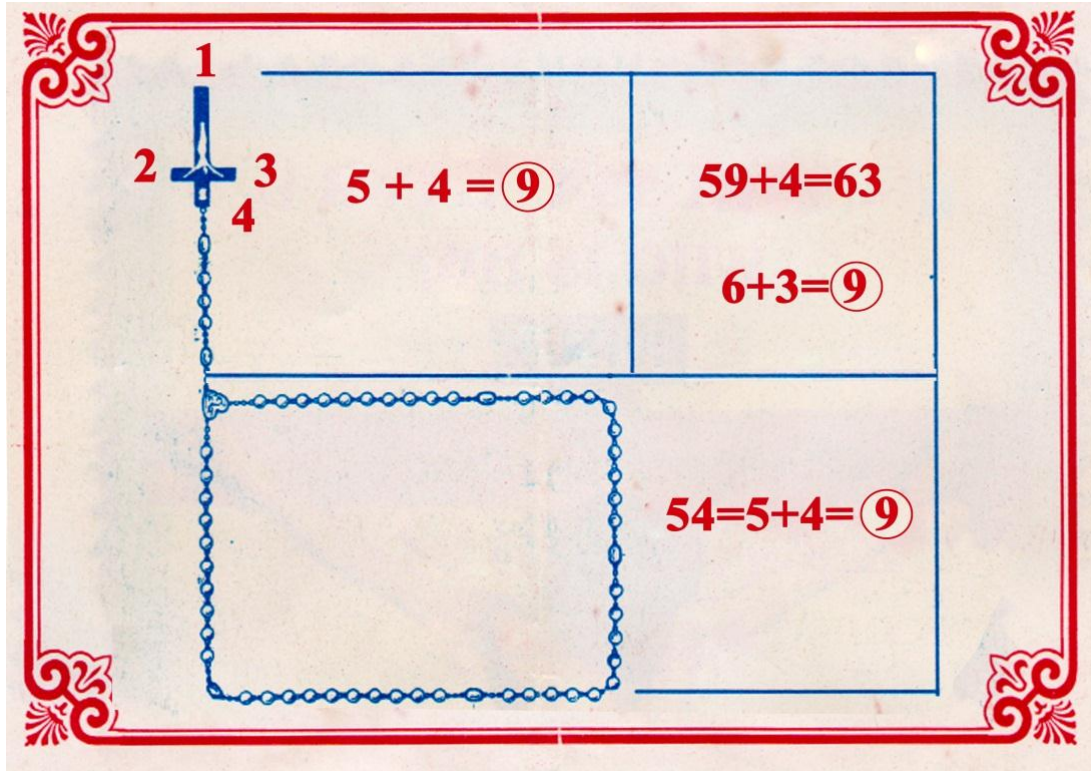

To connect all these, the three numbers nine, nine, nine (999) are shown in a concealed manner.

In this manner, the number 666 connects Tamil and Jesus. If the number 666 denotes an ordinary man (before Christ is inborn in him) would not the opposite number 999 denote Jesus? The rosary that Christians have in their hands will prove that 999 points out only to Jesus. Let us see about it a bit.

### **The connection between 999 and the rosary**

There are 59 beads and a cross in the rosary that Christians have in their hands. We shall later see with evidence that the cross denotes the number 4. Now see the rosary in the diagram.

It separates and shows three nines (999). In this manner, it is proved that the number 999 points to Jesus Christ.

To show that the number 4 denotes the cross, the cross in St. Thomas Church in Chennai is one of the proofs. This is one of the important churches of the mother church.

As per the wide spread information we have heard, the number of nails used for Jesus on the cross were three. But four nails have been impressed on the cross. We can see it in the picture.

This is a hidden information of the church.

Moreover, the sign of the cross also makes it clear that the number 4 denotes the cross.

The Father (1) shows our Father God (our ancestors' word of truth), Son (2) ourselves, left hand (3) the sins we committed, right hand (4) centralizes the blessed place, (Jesus). In this way it proves that the cross denotes the number 4.

**The message that the two numbers 666 and 999 give us:**

1. The number 666 links the Tamil language and Jesus Christ.
2. Through the number 666, we got the number 999 which points to Jesus Christ.
3. The rosary clarifies that the number 999 points only to Jesus Christ.
4.  $666 = 6 + 6 + 6 = 18$   
 $18 = 1 + 8 = \textcircled{9}$   
 $666 = 6 \times 6 \times 6 = 216$   
 $216 = 2 + 1 + 6 = \textcircled{9}$   
 $999 = 9 + 9 + 9 = 27$   
 $27 = 2 + 7 = \textcircled{9}$   
 $999 = 9 \times 9 \times 9 = 729$   
 $729 = 7 + 2 + 9 = 18 = 1 + 8 = \textcircled{9}$

The two numbers 666 and 999 are linked by the number 9 in an unseen way. Therefore it is pointed out in a hidden manner that both numbers talk about only one person.

Moreover, the life of Christ and the number 666 link the Tamil language. When we see all these things, it is felt that the one who will come in the future will be born in the Tamil soil. We will see it now through evidential proofs.

**We will see information about the Great Pyramid, one of the wonders of the world.**

**Note**

**“On that day there will be an altar to the Lord in the center of the land of Egypt, and a pillar to the Lord in its border. It will be a sign and witness to the Lord of hosts in the land of Egypt.”**

Isaiah: 19 - 19 to 20

What we are going to see here is the Great Pyramid, one of the wonders of the world. This pyramid gives us many messages. We shall learn about them.

It is seen that this pyramid was built about 2600 B.C. If so, its age now is 4600. It has been built in the world's most central place. Its area is 13.6 acres. When a researcher took a photo of this PYRAMID from the air, it was noted that it was within a circle. When the centre of the circle was calculated it was found that it showed the centre of the earth. Further, many facts of the earth are recorded here. It is amazing how the facts that we know by the development of science, was calculated (accurately) by those who built the pyramid at that time. By this it is clear that the information about the future recorded in the pyramid can be believed.

This PYRAMID's entrance has been built on the 17<sup>th</sup> row, exactly facing the north with 3<sup>0</sup> degrees difference. The number of stones in Its surrounding wall is 1,44,000. The Bible says that the number 1,44,000 denotes those who have the mark. Further, the PYRAMID gives much information. We will see a few of those.

It is a known fact that when we say PYRAMID, it is a structure to embalm and preserve the bodies of kings (mummy). But there are no embalmed bodies inside this PYRAMID. Therefore researchers were perplexed. Questions were raised as to why this PYRAMID was built. Further, when they searched for any written notes, there was nothing there. Only then the truth dawned upon them. Through mathematics, much information had been recorded here. Only

mathematics is the universal language. (If two and two are four here, it will be four in America, and it will also be four in Europe). Therefore they had recorded information through the universal language of mathematics. All right, let us see some information recorded here.

A section called the King's Chamber, has been built within this PYRAMID. There is a box made of red granite in it. The red granite used to make this box and the stone with the Ten Commandments given to Moses are the same. Moreover, the measurement of this box and Moses' Ark of the Covenant are the same. The size of the room where this box is kept and the size of the bath tub in the temple that King Solomon built, are the same. It is to be noted that even before these things happened, it was recorded in the PYRAMID. It is clear that our ancestors built the PYRAMID to fulfill a purpose. Further, when we see that their plans were fulfilled at the appointed time, it is perceived that the information recorded here is true and comes to pass at the right time.

Each year is shown by the lines that are marked in the PYRAMID. The year that Jesus Christ was baptized is shown here. Further, the year that Jesus Christ died is marked here. Moreover, 2141 B.C. is also recorded here. In this year, the light of the NORTH STAR(Pole Star) goes through the PYRAMID's entrance and reaches the other end. The light of the same North Star goes through the same entrance and reaches the end in 2012 A.D. That is why it is expected

that there would be many changes in the world in this year. 2012 is the year that the regular calendar that we use, came to an end.

### **The connection between the number 666 and this PYRAMID**

The area of the PYRAMID = 13.6 acres

$$13. \boxed{6}$$

$$13 \times 6 = 78$$

$$78 = 7 + 8 = 15$$

$$15 = 1 + 5 = \boxed{6}$$

The entrance of the PYRAMID has been constructed in the 17<sup>th</sup> row exactly facing the north with a difference of 3<sup>0</sup>

$$17 \times 3 = 51$$

$$51 = 5 + 1 = \boxed{6}$$

In this way the PYRAMID shows 666, connecting three 6, 6, 6.

The number 13 connects Jesus and His disciples.

Further, number 13 points to the Tamil vowels and the special Tamil letter called “AyuthaEzhuthu” (“weapon”).

#### **Note**

You may think that each information recorded in the PYRAMID would have been recorded after such incidents took place. No, the PYRAMID was opened only in 8 A.D. by the army of a man called Almanoon. And that too, it was broken open. Only after that, it was discovered where the entrance was. It should be noted that the

information recorded here was discovered only after 16 A.D. by researchers.

### **Let us see a bit about the Pole Star (Thuruva Natchathiram)**

The Hindu religion compares the Pole Star with a character, “Thuruvan”. Let us see a little about it.

“Thuruvan” is a person that the Hindu religion talks about in Vishnu Puraanam and also in Bhagavatha Puraanam.

Thuruvan was born to King Uthanapatham and Suneethi. The second wife of Uthanapatham was Surusi. Surusi’s son was Uthaman. Uthanapatham loved Surusi and Uthaman more than Suneethi. One day, he placed Thuruvan on his lap and kissed him. Seeing this, Surusi got angry and chased away Thurvan. Thuruvan went crying to his mother. When Suneethi asked why he was crying, he narrated all that happened. Further, when Thuruvan asked whether his father should not kiss him, Suneethi replied that only God could answer him. At once Thuruvan set out to search for God. He left the house and went to the forest. On the way he met Narathar. As per the advice of Narathar, he started fasting. After intense fasting he saw God. When God asked him what he wanted, he replied:”I don’t want anything; it is sufficient that I have seen You”. To that extent Thuruvan had attained maturity. God looked at Thuruvan and taught him, **“I am in every living being. Each man can become god by his deeds and wisdom”**. Thuruvan completed his fasting with self-satisfaction and returned to his land. When the king knew about it, he coronated him and set him on the throne. Mythology says that

Thuruvan's good rule was in 36000. After his death, Thuruvan became a bright star, shining in the sky. It is said that this star is the Pole Star(North Star). It is to be noted that it is recorded that Thuruvan's rule was in the year 36000.

Now we shall see about St. Xavier, who was born in the Christian religion and his witness.

### **The Story of how St. Xavier's church was built at Kottar**

St. Xavier came to India during the time he did his teachings. When he was doing his missionary work in India, he stayed in Nagercoil of Kanyakumari District too and spread the gospel of Jesus. The king of Travancore, who ruled the land at that time, had great respect for him. At this point, the army of Badugas came to fight against the king. Thinking of this, the king of Travancore became very distressed. Hearing about this, Xavier went with the king to the battlefield. Xavier lifted the cross in his hand there and showed it in the front of the enemies. Seeing this, the Baduga army got scared and went away from there. So the king of Travancore became very happy. He wanted to give something to Xavier and asked him what he wanted. Xavier replied that it was enough if a place was given to spread his sheep skin. In the Bible it is described as a goat (Jesus). When Xavier talked about a sheep skin, he may have said it to be a witness in the future. He built a chapel in that place. This chapel was called Trinity Church. Later the church was extended, That is the present St. Xavier's Cathedral, Kottar.

**It is to be noted that this church was built in the place which he got for winning the (enemy's) army.**

This church has a total of 13 entrances. These 13 entrances represent Jesus and His disciples. There are 7 entrances altogether in its compound wall. The Bible says that the number 7 means completeness, fullness. Further, there is an angel's statue in the Cathedral's chapel (built by Xavier), over the statue of the Mother, and in the angel's hand there is a tablet, on which the following words are written.

**“The place where lies the holy feet of the three”.**

We can see this verse in the picture.(language-Tamil)

This verse wishes to convey a message to us but it is in an incomplete form. It is about three persons, but the question is who the

three are. One of the three is Xavier. If we say that the other is the one who has to come, we cannot clearly complete it, because the one who came and the one who has to come, we cannot say it, that is, the past and the present, (fell) in one word. Hence this verse is seen this way.

The secret of this evidence is seen in the verse:”**The place where the feet of the three fell**”

Moreover, the letter “ko” (கொ) is mentioned here.

The meaning of “Ko” (கொ) is king in tamil language. “கொ” letter is recorded in a hidden way as “கொ”

Further, the number 3 is mentioned. The number 3 has been recorded in Jesus’ life many times. So we can also assume that the number 3 is the mark of Jesus Christ.

### **Let us think a while about the meaning of the name Xavier**

The meaning of the name Xavier is “**new house**”.The hidden meaning of this is. “I have no death. Death is not true. Even if my soul leaves the body, I will get a new body and will be born again”. Saveriyar (Xavier) is the shortened form of SaavuAriyaar (One who knows no death).

### **Evidence in the church where Xavier’s body is kept**

BOM JESUS CHURCH – This church is in Goa (India). Xavier’s body is preserved in this church. The statue of Xavier is in the compound of the church, under which there is a stone slab, on which

there is some information to enlighten us. But it has been written combining many languages. It has hidden many facts like a jigsaw-puzzle. Let us see the stone slab in the picture.

“Please note the picture carefully. Except the letter ‘i’ all the letters are written in capital letters. Further, the letter ‘N’ is written upside down. Through this, the letter ‘I’ and the letter ‘N’ tell us a message. That is, the letters that are seen here will give a meaning if we separate them and read them straight, upside down, from left to right and from right to left. Now let us see the message that the stone slab gives.

- S** – denotes the SON.
- FRA(N)CiS** – This name is separated into two parts. The letter ‘N’ separates it.
- FRA** – means “From”
- LANGUAGE** – DANISH TO ENGLISH (Ref – Google Trans)
- CiS** - If we read it from right to left, it is SiC.
- SiC** = SIC –This means “address”.
- LANGUAGE** – DANISH TO TAMIL (Ref – Google Trans)
- CO** – means **COMBINE**
- LANGUAGE** – DANISH TO TAMIL (Ref – Google Trans)

It means that if we combine the message in this stone slab we will know the address of the future witness.

**XAVERiO** is XAVIER'S (Saveriaar) other name. Let us see the explanation later. Let us see the evidence for the name in the picture.

**INDiA – this denotes India. If we give it a number form the total number becomes “1”.**

LANGUAGE – ENGLISH

I - 9<sup>th</sup> letter

N - 14<sup>th</sup> letter

D - 4<sup>th</sup> letter

I - 9<sup>th</sup> letter

A - 1<sup>st</sup> letter

37

$$37 = 3 + 7 = 10 = 1 + 0 = 1$$

The Great PYRAMID, where information is recorded about Moses, King Solomon and Jesus Christ, is in Egypt. If we count the letters the total is “1”.

LANGUAGE – ENGLISH

E - 5<sup>th</sup> letter

G - 7<sup>th</sup> letter

y - 25<sup>th</sup> letter

P - 16<sup>th</sup> letter

T - 20<sup>th</sup> letter

73

$$73 = 7 + 3 = 10 = 1 + 0 = 1$$

In this way the number “1” unites India and Egypt.

Further, it is again confirmed by the upside downletter; “N” “37”-INDIA, “73”-EGYPT.

## **RVM**

V is a symbol. The sign “V” is a symbolic sign for sanctorium.

If we give numerical form to the next two letters,

R - 18<sup>th</sup> letter

M - 13<sup>th</sup> letter

### **LANGUAGE – ENGLISH**

18 (R) denotes Tamil consonants; 13 (M) denotes Tamil vowels and the special character Ayuthaezhuthu. Just as the vowels, consonants and the three-dotted special character “Ayuthaezhuthu” belong to one sanctum, in the same way RVM denotes that the evidence given by Egypt and the evidence given by India belong to one sanctum.

**APOSTOLO** means angel

LANGUAGE – GREEK TO TAMIL (Ref – Google Trans)

**The evidence that we are going to see here is an angel and not God.** It means that he is only the evidence for having victory over death.

## **DiCAVIT**

This word is divided into two. The letter “i” separates it.

If we give numerical form to D, it becomes “4” (ENGLISH).

**CAVIT** is a TURKISH name. Its meaning is CONTINUOUS, ENDLESS.

We saw in the previous sections that the number 4 indicates the world. This means proclamation of the information that this world does not have an end.

**P.G.M.** We shall see the meaning of these letters later.

**ANNO** means year.

LANGUAGE -ITALIAN TO TAMIL (Ref – Google Trans)

DNi (DNI) – Means days

LANGUAGE – POLISH TO TAMIL (Ref – Google Trans)

**i666** -It means, I am 666.

666 –This number show three numbers to us. They are 3, 6, and 9.

This letter's number is "3".

This number 6 reveals "6".

This number shows "9" in a concealed manner.

$$6+6 + 6 = 18 = 1 + 8 = \textcircled{9}$$

$$6 \times 6 \times 6 = 216 = 2 + 1 + 6 = \textcircled{9}$$

"Ω" This symbol is inscribed in the stone slab. This symbol means OHM (science).

If we give numerical form to “OHM”= “ஓம்”(Tamil) its total will be 3.

“ஓ” (OH) – It is the 11<sup>th</sup> letter in the vowels in Tamil.

“ம்” (M) – It is the 10<sup>th</sup> letter in the consonants in Tamil.

$$11 + 10 = \boxed{21} = 2 + 1 = \textcircled{3}$$

We shall see the explanation for this in the next part.

**Now let me see the connection between me and the information given here.**

My name is “**Rajan**”

The “ஜ” (ja) in Rajan is a sanskrit letter. This name should be written as “**Rasan**” in Tamil.

If we give numerical form in Tamil to Rasan its total will be 6.

“ரஈ” (Ra) - It is the 12<sup>th</sup> letter in the combination of vowels and consonants.

“ச” (sa) - It is the 3<sup>rd</sup> letter in the combination of vowels and consonants.

“ன்” (n) - It is the 18<sup>th</sup> letter in the consonants.

$$12 + 3 + 18 = \boxed{33} = 3 + 3 = \textcircled{6}$$

As we saw in picture-3 in the notes, the meaning of “ko” (കോ) is king; (റാസ= Rasa). If we give numerical form to **Rasa** (റാസ) its total will be “6”.

റ (Ra) - it is the 12<sup>th</sup> letter in the combination of vowels and consonants.

സ (Sa) - it is the 3<sup>rd</sup> letter in the combination of vowels and consonants.

$$12 + 3 = 15 = 1 + 5 = \textcircled{6}$$

The name Rasan is linked with “6” as we saw in the note for Picture 3.

The number “6” revealed in 666 reiterates it.

Moreover, the letter “i” separates the name XAVERiO which we saw in Picture 4. In this if we give numerical form to “O” the total will be number 6.(ENGLISH)

“O” - is the 15th letter

$$15 = 1 + 5 = \textcircled{6}$$

XAVERiO-Such a method is followed to show the evidence that will come in the future. By this, the name is confirmed further.

The day I was born - **21**

The year I was born - **1980**

Total of my birthday

$$21 = 2 + 1 = \textcircled{3}$$

Total of my year of birth

$$1980 = 1 + 9 + 8 + 0 = 18 = 1 + 8 = \textcircled{9}$$

Picture- 4 as seen in the note

$$\text{DNI - day - } 21 = \textcircled{3}$$

$$\text{ANNO -Year -1980} = \textcircled{9}$$

$$39 = 3 \text{ nines} = \boxed{999}$$

i 666 - the letter i makes us to see the number 666 upside down.

$$\boxed{999}$$

The number is proved in this manner.

Moreover, I wish to give the meaning of the symbol “Ω” again.

“Ω” This symbol means “OHM” (Science)

If we give numerical form to “OHM” in the Tamil language, it shows two numbers.

“ஓ”(OH) – This vowel is the “11<sup>th</sup>” letter.

“ழ”(M) – This is the 10<sup>th</sup> letter in the consonants.

$$11+10 = \boxed{21} = 2 + 1 = \textcircled{3}$$

In this manner, this symbol links the day I was born.

The number confirms that “3” was seen in Picture-3.

Moreover, it confirms that the number “3” was revealed by the number 666.

Further, number “9” shown in a hidden manner by the number 666 links all the information that was given.

This links my year of birth(ANNO).

In this way the number 666 shows me connected to it.

My mother’s name is **PUSHPARANI**.

The note for Picture - 4 is the hidden meaning for **PGM**

**P** for Pushparani

**G** for Grail (Cup)

**M** for Mary

Here the cup means the two sanctums chosen by God. One is the womb of Mary, mother of Jesus Christ, who had victory over death. The other is the womb of my mother, who was chosen as a witness.

This is the meaning of **PGM**.

Further, it is said that the secrets of Jesus Christ were protected by a community. It is also said that the community was later destroyed by religious fanatics. **As per that community’s statement, “the secret was hidden inside the rose”.**

**Explanation of the secret.**

My mother’s name is **Pushparani**

Pushparani means Queen of Flowers (Tamil meaning).

The Queen of flowers is the “**Rose**”

Another name for **Rose** is **Pushparani**. I was hidden in my mother’s womb. This the meaning of the secret.;

**GREAT PYRAMID** – and St. Xavier’s Church, Kottar.

I wish to remind you once again about the Bible verses we saw earlier.

“In those days in the **Egyptian (Indian)** soil there will be an altar for the Lord. In its border **a pillar will be raised for the Lord. It will be a sign and witness to the Lord of hosts in Egypt (India)**”.

Isaiah: 19 - 19 to 20

The picture-4 (**RVM**) clarifies that the evidence that **Egypt** gives and the evidence that **India** gives will be the evidence concerning the sanctum.

St. Xavier’s Church, Kottar, was built with the Great Pyramid as a model. We saw in the ealier section that **this church was built in a place which was obtained, for having gotten a victory over the army.**

The entrance of the GREAT PYRAMID was built exactly with a difference of **3<sup>0</sup>** DEGREE, facing the north.

**My house is exactly in the north of the chapel** built by St. Xavier. **3<sup>0</sup>** DEGREE is ;(“Ω”= “ஓம்” (OHM)) in Picture-4. As mentioned in Picture 3, the number “3” points to me.

When Xavier requested the king of Travancore for a land to build a church, I wish to remind you that he needed space to spread the sheep skin.

Further, the entrance of the GREAT PYRAMID is positioned on the 17<sup>th</sup> row.

So far, the body of St. Xavier has been kept for public view 17 times. Now I am exactly “36” years old. (3 sixes = 666). **Only in my 36<sup>th</sup> year this book has been fully completed.**

The entrance of the pyramid is built, giving importance to the above information.

According to the words of the Bible (Isaiah), **the pillar raised as a witness to the Lord in the border of the altar of St. Xavier’s church is myself.**

It was a star which proclaimed the birth of Jesus Christ to the wise men. In memory of that, we still keep a star during Christmas. This is a hidden message.

With this in mind, the coming of the Pole Star has been recorded in the PYRAMID. In 2012 the light of the Pole Star reached the end through the entrance of the PYRAMID. It will continue for a year. **At this time my age was exactly 33.**

From my 33<sup>rd</sup> year I began to prepare myself. I was molded well by God from the age of 33 to 36. At this point of time, two purposes were fulfilled. One of the purposes was this book. Secondly I purified myself. Out of these, the book was fully completed. For the second one, I have almost purified myself 80% from what I was.

## Some more information

On the plank of cross in which Jesus Christ was crucified, it was written, “**Who is He?**”

Its shortened form is **INRI**. This is a hidden message.

**INRI** means **IN RESIDENT OF INDIA** (It is Motherland INDIA). Thousands of years ago, the plan of the early saints, our ancestors, was to begin ( thousands of years ago before Christ was born) the journey from INDIA, going all over the world and recording many evidences and returning to the starting place (Tamil soil) to celebrate this victory and as a witness to everyone. I am happy that this has been fulfilled by me. For this, I do not wish to use the small word of saying thanks to God (ancestors). Therefore I like to put into practice the will of God (Word).

## AMEN

The meaning of **Amen** is “**Let it be so**”. In the Hebrew language it means “**Truth**”. If we give numerical form for **Amen** in Tamil its total comes to “**3**”.

“**ஆ**” (Aa) = 2nd letter in vowels

“**௨**” (me) = 10th letter in the combination of vowels and consonants

“**ன்**” (n) = 18th letter in consonants

$$2+10+18 = 30 = 3 + 0 = \textcircled{3}$$

The message in Picture-3 and the message in Picture-4 ( $\Omega$ ) link the word “**Amen**”.

If we give numerical form to the word **Amen** in English, we get the total of “**6**”.

A -1<sup>st</sup> letter

M – 13<sup>th</sup> letter

E - 5<sup>th</sup> letter

N – 14<sup>th</sup> letter

$$1+13 + 5+ 14 = 33 = 3 + 3 = \textcircled{6}$$

The message in Picture-3 and the message in Picture-4 ( $\text{கொ}=\text{கோ}=\text{ko}=\text{ராசா}=\text{Rasa}=\text{6}$ )(XAVERiO) are linked to the word **Amen**.

The two numbers above link (3,6), the letters revealed by “666”

In this manner, according to the evidences, the word “Amen” links me (3) and my name (6)

**“Jesus said, “Destroy this body called the temple, and I will raise it up in three days”.**

John;:2-19 To 21

Firstly He talked of Himself; secondly, he mentioned the prophets and saints, who witnessed about God (God the Father worked through them). Thirdly, he mentioned me who is a witness for getting victory. This is the meaning for it.

**About me:-**

It can be said that you have not even seen another person like me. You have not even heard of a person like me. I was so sinful. But today God's Word has opened my eyes. This is God's plan too. I regret the sins I have committed. I wish to live by God's Holy Words. I ask for forgiveness from you for the sins I have committed.

**“Every sinner has a future.**

**Every saint has a past”.**

Even if I do not become a saint according to this saying, I wish to live as a good man.

Jesus Christ is my Father. He is my Teacher. He is my Guide. I wish to live by His Words. But I do not wish to say that I belong to the Christian religion because of it. My Father's wish is the same because our ancestors did not have a religion. They did not have castes. Only those who came later created divisions. I only wish to say that I belong to a good mankind.

**PYRAMID – I wish to share with you what I know about the forefathers of the Pyramid, the Mayan community:-**

The PYRAMID is where kings' bodies are preserved and kept, along with whatever things they needed. It is said that, they would collect everything they need in their former birth itself so that they would have all the necessary things in their rebirth.

What they wish to convey to the world is that there is a rebirth and that they should prepare for it in this birth itself.

The same thing is said in many scriptures. It means that the good or bad deeds done in this birth will follow in the next birth as **“consequences of the previous birth (Karma)”**.

As we are not aware about our previous birth, we need not worry about rebirth.

The one who gave witness that there is rebirth is Jesus Christ. As nobody has proved about rebirth so far, we are unable to believe it. Now we have overcome death. Therefore let us prepare for rebirth atleast now.

**“What does a man profit if he gains the whole world and loses his soul?”**

When we die, we cannot take with us the things we have collected in this life. But the real riches (virtues) will help us to live in this birth and will follow as **“consequences in the next birth (Karma)”**. This is the gift of the spirit.

**Let us see some verses from the Bible -**

“They were surprised and said “How did He get such wisdom without being taught by anybody?”

But Jesus said,

“My teaching is not mine

It is from the One who sent me;

The one who walks by His wish  
Will understand  
Whether this testimony  
Comes from God  
Or whether I speak on my behalf;  
The one who talks on his behalf  
Searches for his own glory  
The one who searches for God's glory  
Is the true man  
There is no unrighteousness in him.

John:8 - 15 to 18

The scribes and the pharisees brought unto Him a woman taken in adultery. They set her in the midst and said to Him, "Master, this woman was taken in adultery in the very act. Now Moses in the law commanded us that such should be stoned to death. What do you say?" Jesus said, "He that is without sin, let him first cast a stone on her." When they heard it, beginning from the eldest, they went away one by one. The woman was standing there. Jesus lifted up himself and said, "Woman, where are they? Did nobody condemn you?" When she said, "No man, Lord", He said. "Neither do I condemn you. Go, sin no more".

John:8 – 3 to 11

## **I am the Light of the world**

“I am the Light of the world. He that follows me shall not walk in darkness. He shall have the Light of Life”. The Pharisees said, “You bear record of yourself. Your record is not true”.

Jesus answered in reply-

Though I bear record of myself, yet my record is true for I know from where I came, and where I will go. You do not know from where I came and where I would go.

You judge by human standards. I judge no one. Yet even if I do not judge anyone my judgement is valid, for I do not judge alone but I and the Father who sent me.

John 8 – 12 to 16

Jesus said, “Truly, truly I tell you. If anybody hears me he shall never die”

**Let me tell you a short story (imaginative) and bring this book to an end.**

In the beginning God created everything except man. The world was beautiful. He realized He was alone and created an angel in his image. He was very kind to this angel. The angel did all the work for God. The angel was gradually growing up too. One day the angel came to God and said, “You are staying in the same place. I am the one who brings you food and do all the work. Am I not greater than You?” God smiled and said, “If so, can you live without Me?” The

angel replied haughtily, “Yes, why not?” Then God said, “Do what I tell you. When you finish it I will teach you what you do not know. You need not do any work for me anymore.” The angel said, “OK, tell me”. God said, “You go to the place I show you. Remain there for three days and come back” and He told about a place and sent the angel there. The angel went there. It was an open space. Nothing was there. In a short while, the angel became hungry. There was no water to drink. Till then the angel had not known about hunger. Even before he became hungry he had got food. At that time the angel did not want to accept defeat. One day passed. Hunger pangs increased. The angel could not bear it. On the second day, the angel went running back to God. When He saw the angel, God did not say anything. He gave the fruits in His hand and made it appease the angel’s hunger. After the angel appeased his hunger, he came to God. He told the angel to bring a fruit-yielding plant, which was there. The angel ran and uprooted it. God said: ”Now you have destroyed it. Can you create it again? Only then the angel realized that he could destroy but the One who created everything was God alone. The angel was humiliated and stood before God. God called the angel lovingly and said, “I am your Father. You are my child. Therefore I will teach you also to create”.

We are also like this angel. There are three lessons that we have to learn from this story.

1. It is wrong to think that only we know everything, and that there is nobody greater than us.
2. It is wrong not to admit our failure.
3. Whatever wrong that we, His children do, God the Father points it out to us lovingly, without getting angry, and teaches us to grow more and more in the righteous path.

Further, there is a general message that we have to learn from this story. Our forefathers made us. Nothing will be revealed to us unless they reveal it. It is our ignorance which makes us think that what is born from us, is born from within us. Our forefathers are the root of it all. It is a fact that we are enhancing it.

### **Conclusion:-**

From the beginning of the world, it is not just one or two who struggled to fulfill this plan. They are countless. I submit myself to them.

When I wonder how all these messages came to me, only the words of the Bible come to my mind.

**“They do not have words; they do not have speech. Yet they spoke”.**

These are words which prophesied about the Holy Spirit.

Moreover, the messages that the people in this world revealed to me are neither one nor two but countless. In my sight they are like prophets. My heartfelt thanks to all of them.

Through the messages we saw here we can understand one thing. Till date there are many messages that we cannot understand. That is spirituality, real wisdom. According to the plan of our forefathers, we are developed in science. But we have lost spirituality. This too is God's will.

I wish to bid good bye by saying that it is God who gave form and shape to all the information that we saw here and that I am a mere actor ( weapon) .

Thank you, thank you, thank you

All glory to God

Life is to the world, body is to you.
